RoHS, ELV & WEEE: RWC (UK) Ltd Declaration

According to Directive 2011/65/EU (RoHS-Restriction of Hazardous Substances) and further amendments to Directive 2012/19/EU (on Waste Electrical and Electronic Equipment WEEE) & Directive 2000/53/EC and amendments on End-of-Life Vehicles, the maximum concentration values tolerated (by weight) in homogeneous materials for the following restricted substances are: lead (0.1%), mercury (0.1%), cadmium (0.01%), hexavalent chromium (0.1%), polybrominated biphenyls [PBB] (0.1%) and polybrominated diphenyl ethers [PBDE] (0.1%). Directive 2015/863 published in 2015, the RoHS 3 Directive, adds the following four phthalates: DBP, DEHP, BBP and DIBP to the above list of six substances.

RWC (UK) Ltd is able to state to the best of our knowledge, from information submitted to us by our suppliers that all John Guest branded articles which are currently supplied to you are in conformance with the RoHS, WEEE & ELV Directives. With the exception of all Brass manufactured goods: According to the RoHS Directive (exemption 6C) and ELV Directive (Annex II, Exemption 4), lead as an alloying element in copper alloys up to 4% by weight is exempted from this prohibition. This declaration is based on available information sources from raw material suppliers. Prescribed substances are not knowingly present in the supplied raw materials, nor are they intentionally added. However, we do not test our products for the stated substances. If we receive any information, which shows any products we supply to you contain any of the prescribed substances at or beyond the specified guide concentrations, we will update the statement accordingly.

Therefore, John Guest branded products complies with RoHS Directives 2011/65/EC and its further amendments, RoHS 3 Directive 2015/863, WEEE Directive 2012/19/EU and ELV Directive 2000/53/EC. RWC (UK) Ltd also complies with EU WEEE Directive (2002/96/EC) and is registered with the UK Environmental Agency. This declaration will be updated periodically, as and when required, and is valid without a signature.
